Fishing Experience

YOUR ULTIMATE FISHING EXPERIENCE IN THE GULF OF NAPLES

An unforgettable fishing experience, in one of the most beautiful places in the world. It's not a dream, it's the reality that Virada Fishing Experience promises you.

Our captain, thanks to his strong experience, will lead you into the most fishy and rich waters of the Gulf of Naples aboard an iconic **PURSUIT 31 Offshore**, an authentic American fisherman, to make you live an unforgettable day!

The boat can accommodate up to 7 people and is comfortable even for your family thanks to the large sundeck at the bow.

On board you will find the best equipment for every technique you want to tackle: drifting, live trolling, deep sea fishing.

Welcome on board!!

THE TOUR

Departure from the port at around 6 AM. The departure port depends on the fishing technique and the season. We can embark our Guests from Sorrento, Castellammare, Naples, Capri and the adjacent ports.

Briefing with the captain and welcome coffee during which the day schedule will be explained.

Possible insidious prey: Sailfish, cod, bluefish, dolphin, tuna, garfish, swordfish, seabream, squid, dentex, Amberjack

The place for the fishing trip can be modified according to sea traffic, weather conditions and fishing technique.

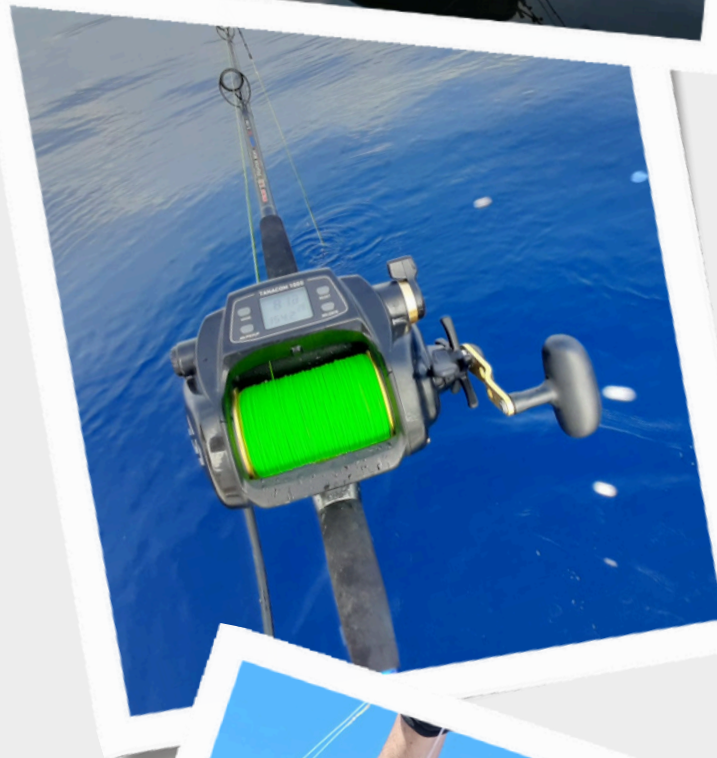

At around 11 AM a light lunch with typical caponata, fruit salad and local white wine will be served to our Guests before the return to port, scheduled around 12 PM.

THE TOUR INCLUDES

- Professional fishing equipment and lures;
- Professional fisherman at your disposal;
- Soft drinks and dry snacks during the whole tour;
- Light lunch.

OTHER OPTIONS

- Possibility of departure from other ports (with supplement and subject to availability);
 - Possibility to provide landing in Capri for group members not interested in fishing;
 - Possibility to disembark for lunch at one of the coastal restaurants accessible by sea or request lunch on board from one of the coastal restaurants (with supplement, lunch not included);
 - Possibility to customize the fishing technique according to the client's requests (with supplement).
- These techniques are applicable subject to verification of weather and sea conditions;
- The tour may be subject to change depending on marine weather conditions and seasonality.
